EDUCATION

2019 — 2023
Master of Science in Architecture (MSc)
Vlorë · AL

2012 — 2014
MSc in Computer Science Engineering
Tirana · AL

2003 — 2012
Diploma in Industrial Design & Engineering
Western Macedonia · GR

DIGITAL TOOLS

BIM & SPATIAL CAD
Autodesk Revit, AutoCAD 2D/3D, AutoCAD Map, QGIS

INDUSTRIAL DESIGN
PTC Creo (CAD / CAM / CAE)

RENDERING & CGI
Twinmotion Visualization, D5 Render

POST-PRODUCTION
Adobe Photoshop, Illustrator

LANGUAGES

Greek: Native
Albanian: Excellent
English: Very Good

EXECUTIVE PROFILE

Architect and Industrial Designer with extensive experience in municipal urban planning, building permitting, and cadastral mapping. Specialized in architectural design, advanced 3D modeling (BIM/CAD), and technical project documentation with a focus on precision and constructability.

PROFESSIONAL EXPERIENCE

Urban Planning Specialist & Architect — 2023 — Present
URBAN PLANNING & DEVELOPMENT DIRECTORATE · MUNICIPALITY OF PHOENICE

— Technical evaluation of architectural designs, statutory compliance checks, and building permit administration via the e-Leje system.

— Drafting comprehensive technical relations and spatial assessments for residential structures and adaptive reuse.

Head of Cartography Department & Cadastral Engineer — 2018 — 2022
STATE CADASTRE AGENCY (ASHK) · SARANDË

— Supervised geospatial cartography workflows, parcel boundary surveys, and coordinate georeferencing via AutoCAD Map & GIS.

— Vectorized architectural layouts and reconciled land-tenure boundary discrepancies with geometric and legal precision.

Systems & Network Infrastructure Administrator — 2015 — 2018
POSTA SHQIPTARE · SARANDË

— Administered enterprise local area networks, hardware endpoints, and operational database integrity across postal branches.

Computer Science Instructor — 2012 — 2014
VOCATIONAL COLLEGE

— Instructed courses covering computer architecture, network infrastructure, operating systems, and technical software workflows.

Professional Design Collaboration — 2012
ARCHITECTURE PRACTICE · ITALY

— Contributed to parametric 3D modeling, spatial prototyping, and physical design development for residential and industrial components.
